W. W. Burr, Deputy Director  
Division of Biomedical and Environmental  
Research, HQ

UTIRIK, MARSHALL ISLANDS

This confirms our telephone conversation of August 9, 1976.

I am enclosing herewith a copy of a letter to me from the people of Utirik, Marshall Islands, regarding the Brookhaven medical program in the Marshalls. I enclose also a copy of my acknowledgement to the people of Utirik, indicating that they will receive a substantive response from Headquarters.

When the reply is prepared, it is suggested that translation to Marshallese be arranged for by letter to the District Administrator and that copies of the Marshallese text be requested for your and our (NV) files.

  
Roger Ray, Assistant Manager  
for Environment & Safety
